Blue to Gold

TRAINING ANNOUNCEMENT

Bismarck, North Dakota

Hosted by the Burleigh County Sheriff's Department

Mastering Proactive Policing for Patrol (BGLE-2501)

(INSTRUCTED BY: PROACTIVE POLICING INSTRUCTOR SEAN MEYER)

You'll learn to recognize the signs of stress and resistance in people you encounter, including freeze, flight, and fight behaviors, plus the subtle cues that come before them. The course covers building reasonable suspicion, conducting roadside interviews, building rapport, and knowing when (and how) to ask for consent. Body camera footage and scenario-based exercises bring these skills to life and give you hands-on practice in real-world situations.

Monday, October 26, 2026 | Time: 8:00 AM - 6:00 PM | Cost: **$249**

Advanced Search & Seizure (BGLE-2306)

(INSTRUCTED BY: RETIRED POLICE OFFICER JASON JOHANSSON)

You'll get hands-on with the legal foundations behind search and seizure—when you can act, when you need consent or a warrant, and what happens when you cross the line. We'll cover both federal and state cases to make sure you're ready no matter where you work. Through case studies and real-world scenarios, you'll build the confidence to handle these situations the right way.

Tuesday, October 27, 2026 | Time: 8:00 AM - 5:00 PM | Cost: **$225**

K9 Case Law (BGLE2303)

(INSTRUCTED BY: RETIRED POLICE OFFICER JASON JOHANSSON)

Deploying a K9 can be a game-changer in many law enforcement situations—but only if it's done by the book. This course helps handlers, supervisors, interdiction officers, and command staff understand the legal landscape that governs K9 use, making sure every deployment stands up in court. You'll dive into the key legal principles that affect K9 operations, from traffic stops to pursuits, and from schools to jails. We'll cover the do's and don'ts of using a K9 on fleeing suspects, plus the special considerations that come with working in sensitive environments. You'll also get guidance on writing solid reports and testifying confidently in court. Real-life case studies and scenarios help bring the material to life so you can apply what you've learned on the street.

Wednesday, October 28, 2026 | Time: 8:00 AM - 5:00 PM | Cost: **$225**

Attend Both 2nd and 3rd Days for $395
