TRAINING ANNOUNCEMENT

Irving, Texas

Hosted by the Irving Police Training Academy

Advanced Search & Seizure

Knowing when and how to conduct a search or seizure is a critical part of good police work. This course breaks down the Fourth Amendment and how it applies on the street, giving officers the tools they need to make solid, defensible decisions in the field. You'll get hands-on with the legal foundations behind search and seizure—when you can act, when you need consent or a warrant, and what happens when you cross the line. We'll cover both federal and state cases to make sure you're ready no matter where you work. Through case studies and real-world scenarios, you'll build the confidence to handle these situations the right way.
Tuesday, March 9, 2027 | Time: 8:00 AM - 5:00 PM | Cost: **$225**

Advanced Interdiction Case Law: Drugs on Wheels

In the high-stakes world of drug trafficking, America's highways have become critical battlegrounds. This course offers law enforcement officers a deep dive into the case law that shapes highway interdiction efforts. It equips officers with the knowledge and skills to identify reasonable suspicion and probable cause, ensuring stops and searches meet constitutional standards. Officers will explore the factors courts have deemed most relevant for exposing drug and human smuggling operations on the road. The course reinforces the importance of understanding the Fourth Amendment, providing officers with the confidence to justify their actions and protect their cases from legal challenges.
Wednesday, March 10, 2027 | Time: 8:00 AM - 5:00 PM | Cost: **$225**

Case Law for Command Staff and Supervisors

Understanding the complexities of the Fourth Amendment can be a challenge for any officer, but it's critical that supervisors and command staff have a solid grasp of case law. When incidents unfold and quick decisions are needed, those in leadership roles must know what the law allows—and why—so they can provide clear, legally defensible guidance. This course is designed to give supervisors and command staff the knowledge and confidence to handle search and seizure issues that arise in the field. It serves as a practical resource for those who must guide their teams through challenging situations while ensuring constitutional compliance.
