The Certified Search and Seizure Instructor (CSSI) Program is a 40-hour advanced certification course for officers and attorneys who want to become their agency's go-to SME on Fourth Amendment doctrines. CSSI includes access to mini-course teaching modules, a Legal Training Hotline, exclusive resources, and a CSSI instructor toolkit.

- Demonstrate mastery of core and advanced Fourth Amendment doctrines, including consent, exceptions, seizures, privacy concepts, and modern technology issues.
- Apply constitutional principles to real-world policing scenarios with clear, defensible articulation and the need for "C.R.E.W." or consent, recognized exceptions, or warrants for every search or seizure.
- Teach search and seizure topics to recruits and in-service personnel using structured modules and proven Blue to Gold training doctrines.
- Analyze and explain leading federal and state case law and guide officers on how to apply it correctly.
  And much more...
