Advanced Search & Seizure

Knowing when and how to conduct a search or seizure is a critical part of good police work. This course breaks down the Fourth Amendment and how it applies on the street, giving officers the tools they need to make solid, defensible decisions in the field. You'll get hands-on with the legal foundations behind search and seizure—when you can act, when you need consent or a warrant, and what happens when you cross the line. We'll cover both federal and state cases to make sure you're ready no matter where you work.

Tuesday, August 24, 2027 | Time: 9:00 AM - 5:00 PM

Advanced Traffic Stops

You'll learn the nuts and bolts of key traffic stop topics—like the motor vehicle exception, pretext stops, vehicle searches, and passenger questioning. We'll also cover the big court decisions that shape how you do your job, and dig into things like K9 sniffs, inventories, and probable cause searches.

Advanced Criminal Investigations

Tough cases call for solid legal skills and a deep understanding of what the courts expect from your work. This course builds on what you already know and takes it up a notch. It helps you tackle advanced search and seizure issues, manage informants, and navigate tricky legal situations with confidence—all while making sure your cases stand up in court.

Thursday, August 26, 2027 | Time: 9:00 AM - 5:00 PM

Bulletproof Report Writing

You'll learn how to put your observations and actions into words that make sense to judges, prosecutors, and defense attorneys alike. The course also shows how solid documentation can discourage suppression motions and help you recall key details when testifying in court.
