Mastering Proactive Policing for Patrol

Being proactive on patrol is about more than just making stops—it's about spotting crime before it happens and handling it safely and legally. This course gives patrol officers the skills and knowledge to confidently interdict criminal activity while keeping themselves and the community safe. You'll learn to recognize the signs of stress and resistance in people you encounter, including freeze, flight, and fight behaviors, plus the subtle cues that come before them. The course covers building reasonable suspicion, conducting roadside interviews, building rapport, and knowing when (and how) to ask for consent. Body camera footage and scenario-based exercises bring these skills to life and give you hands-on practice in real-world situations.
