Advanced Traffic Stops (#26CPT589)

Making a traffic stop is one of the most common—and sometimes most legally tricky—things cops do. This course helps officers sharpen their skills in making stops that are both effective and legally solid. You'll get a handle on the real-world application of constitutional principles so your stops hold up in court and build trust with the community. You'll learn the nuts and bolts of key traffic stop topics—like the motor vehicle exception, pretext stops, vehicle searches, and passenger questioning. We'll also cover the big court decisions that shape how you do your job, and dig into things like K9 sniffs, inventories, and probable cause searches.
Tuesday, March 30, 2027 | Time: 8:00 AM - 5:00 PM | Cost: **$225**

Advanced Criminal Investigations (#26CPT590)

Tough cases call for solid legal skills and a deep understanding of what the courts expect from your work. This course builds on what you already know and takes it up a notch. It helps you tackle advanced search and seizure issues, manage informants, and navigate tricky legal situations with confidence—all while making sure your cases stand up in court. You'll learn about complex legal issues that come up in major cases—like search warrants, managing informants, and working in high-risk environments. The course highlights the importance of knowing the law inside and out so that your work is solid in court. You'll also learn practical ways to handle arrests, searches, and other challenges without getting tripped up by technicalities.
Wednesday, March 31, 2027 | Time: 8:00 AM - 5:00 PM | Cost: **$225**

Search Warrant Case Law

Getting a search warrant right can make or break a case. This course focuses on helping officers write solid, legally-sound affidavits, work effectively with magistrates, and execute search warrants safely and by the book. You'll break down the Fourth Amendment's key principles and see how they apply in today's policing environment. We'll cover everything from plain view and exigent circumstances to what happens in court if a defense lawyer files a motion to suppress. Through real-world examples and case law, you'll build the skills you need to handle search warrants from start to finish.
