Bulletproof Report Writing

You'll learn how to put your observations and actions into words that make sense to judges, prosecutors, and defense attorneys alike. From explaining probable cause to describing what you saw and did, you'll build the skills to write reports that are thorough and easy to follow. The course also shows how solid documentation can discourage suppression motions and help you recall key details when testifying in court.

Bulletproof Courtroom Testimony

This course helps officers sharpen their courtroom skills so they can deliver testimony that's confident, clear, and stands up under the toughest cross-examinations. Through a mix of classroom sessions, practical exercises, and realistic role-playing, you'll get comfortable with everything from prepping your case to handling curveball questions from defense attorneys. We'll cover the entire courtroom journey, with a focus on being prepared, professional, and persuasive.
