TRAINING ANNOUNCEMENT

Whitehall, Ohio

Hosted by the Whitehall Police Department

Advanced Search & Seizure

Knowing when and how to conduct a search or seizure is a critical part of good police work. This course breaks down the Fourth Amendment and how it applies on the street, giving officers the tools they need to make solid, defensible decisions in the field. You'll get hands-on with the legal foundations behind search and seizure—when you can act, when you need consent or a warrant, and what happens when you cross the line. We'll cover both federal and state cases to make sure you're ready no matter where you work. Through case studies and real-world scenarios, you'll build the confidence to handle these situations the right way.
Tuesday, September 14, 2027 | Time: 8:00 AM - 5:00 PM | Cost: **$199**

Advanced Traffic Stops

Making a traffic stop is one of the most common—and sometimes most legally tricky—things cops do. This course helps officers sharpen their skills in making stops that are both effective and legally solid. You'll get a handle on the real-world application of constitutional principles so your stops hold up in court and build trust with the community. You'll learn the nuts and bolts of key traffic stop topics—like the motor vehicle exception, pretext stops, vehicle searches, and passenger questioning. We'll also cover the big court decisions that shape how you do your job, and dig into things like K9 sniffs, inventories, and probable cause searches.
Wednesday, September 15, 2027 | Time: 8:00 AM - 5:00 PM | Cost: **$199**

Advanced Interdiction Case Law: Drugs on Wheels

Officers will explore the factors courts have deemed most relevant for exposing drug and human smuggling operations on the road. The course reinforces the importance of understanding the Fourth Amendment, providing officers with the confidence to justify their actions and protect their cases from legal challenges. Whether an officer is new to interdiction, looking to expand proactive policing tools, or a seasoned veteran determined to stay sharp, this course helps keep them one step ahead in the fight against trafficking. Each registration includes a copy of Drugs on Wheels – A Law Enforcement Guide to Highway Interdiction as a valuable resource.
